

Darya Kuliashova

Frontend Developer

I'm a Frontend Developer boasting more than 3 years in the field. I personify self-discipline, dedication to results, continuous learning, skill refinement, unwavering persistence, and determination to reach objectives. I embrace responsibilities confidently, welcome constructive criticism, and bring a good sense of humor.

I am skilled in HTML5 (semantics), CSS3/SCSS, JavaScript, and Cross-Browser Compatibility, as well as in React.js, REST APIs, and Git. I have successfully implemented team and individual projects using the above technologies, including Node.js, and NestJS.
